From Mrs Ronnfeldt’s Desk

How wonderful for our relay team! They made it through from their heat to the semifinals and only just missed out on the finals. So proud of you Mikalea, Mav, Eric and Charlie!

A huge thank you to these sponsors who helped get our students to Sydney:

Frasers Livestock Transport, Tom Fagg Livestock Buyer, Myola Feedlot, Lowes Petroleum, Croppa Creek Store, B and D Smith, R and A Swan and K and S Fordham for sponsoring the Mystery Bus Trip. As well, parents of the relay team members ran a raffle, cake stalls, $100 boards and cooked at the Croppa Creek Club, raising money to get our team to Sydney. Thank you to a wonderfully generous community.

Check out the Moree Champion and our website for more news!

As you may have seen in the media recently, a less crowded, parent friendly and back to basics approach has been recommended in the national curriculum review. I’ve attached a link on our website for more information.

We will be planting more trees at school tomorrow, starting at 9am – you are more than welcome if you would like to come and join us. ☺ Hoping your week is wonderful.

Warm regards
Tracy Ronnfeldt

Our next P&C meeting will be held Monday 24th November at 7pm in the school library.
Support/Relief Driver

A request from Merv & Sue Hoefler

Since leaving the Croppa Creek area thirty years ago we have, with the assistance of local residents, been able to maintain the local school bus run.

Without the support of these energetic and supportive locals we would not have been able to continue with the service. Presently Karen does not have a reliable support driver, which at times, can leave her in a position of not being able to provide the service. This is both unacceptable and unavoidable.

We would appreciate if families who benefit from this service, their neighbours and local residents could please put some thought and discussion into how we will move forward with the provision of this service. We require a support driver to assist Karen when she is unavailable or unable to drive the bus.

Having lived in the area while our children attended the local school we appreciate the benefits of a school bus and will continue to do our best to maintain this service.

If you are able to assist in any way please contact us on 0755 732 712 or speak directly with Karen.

Thank you
