From Mrs Ronnfeldt’s Desk
What a wonderful week we’ve had! We’ve been planting more trees in our ‘koala corridor’, our awesome relay team returning home safely, joining with North Star PS for the performance of ‘Tiddalik the Frog’ and our celebration of Grandparents Day. What a wonderful time we had this morning! Thank you to all our Grandparents and families who could attend and a special thank you to Mr Mitchell for sharing on his early days at school and Mr Cooper for reading our story. Grandparents are so special.
Swimming lessons have been confirmed as Wk 8 beginning 24th November ‘til Friday 28th at the Goondiwindi Pool. Our first lesson will be 10-11, then a 15min break for morning tea followed by another lesson from 11:15-12:15 (DST).
We have school photos on Monday in the afternoon so children may wear their normal school uniform in the morning and change into their formal for photos.
Hoping your week is amazing and harvest goes well.

Warm regards
Tracy Ronnfeldt

Weekly Assembly
Congratulations to the award recipients from our Week 3 assembly:

Student of the Week: Maverick
Infants Academic: Millie
Infants Citizenship: Riley
Primary Academic: Mikalea
Primary Citizenship: Billy

Congratulations!
Agrihub Sun Smart Program

This summer Agrihub has partnered with UPL Australia Ltd and Grevillea Ag to help fight the risk of skin cancer in our children.

They are supporting us with our Sun Smart program in the form of a donation from chemical sales.

If you choose to purchase products from their suppliers, you’ll be given a token marked with $50, $20 or $10.

You can bring it into school and put it in the jar in the office and at the end of March 2015 they’ll be tallied and the amount donated to the school.

Stay safe in the sun!

Relay team at Sydney

Sport and Recreation’s Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation’s Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $67 for school-aged children and $48 for preschoolers (prices exclude pool entry fee).

For more information or to make a booking, visit www.dsr.nsw.gov.au/swimandsurvive or phone 13 13 02
