From Mrs Ronnfeldt’s Desk
Our students had a great time visiting Tulloona Public School to attend the Life Education Van and see Healthy Harold! Mrs Quinlan rang especially to let us know how well behaved our children were and how they improved their hockey skills and displayed great sportsmanship. Our Premier’s Sporting Challenge has begun. Students are to colour one rectangle for every 20 minutes of continuous exercise they do – ideas are on the back of the card (I like ‘washing the car’ the best!). We then collate the minutes onto our class chart. We’re going for gold! Our ‘Anne of Green Gables’ study is hotting up and I’m wondering if anyone has an old slate from way back when! – I can remember using one when I was in Grade 1; or any other relics from the past that might be easily brought into the classroom?
Finally, if you have any concerns regarding your child’s education, please make an appointment to discuss them with myself and/or Mrs Forsyth and Mrs Reardon. Hoping you have an enjoyable long weekend.
Warm regards
Tracy Ronnfeldt

Fun with Healthy Harold

Infant’s class made robots as part of our Robo miniunit on Friday 😊

Here is the Infant’s recipe for the pirate biscuits with weevils!

**Ship’s Biscuits**

- 90g of softened margarine
- 60g of castor sugar
- 2 drops of vanilla essence
- 100g of plain flour
- A small handful of raisins/sultanas

1. Ask an adult to preheat the oven to 180°C.
2. Use a spoon to cream the margarine and sugar together.
3. Drop in the vanilla essence, then give the mixture another good stir.
4. Tip the flour into the bowl a little at a time, mixing as you go to form a soft, sticky cookie dough.
5. Now stir in the raisins/sultanas so that your cookie dough becomes scattered with little brown ‘weevils’!
6. Use a damp tablespoon to transfer blobs of the mixture onto a greased baking tray.
7. Ask an adult to place the tray on the middle shelf of the oven. The dough will flatten out as it bakes.
8. Cook the biscuits for 15 minutes until they’re golden brown. Ask your adult helper to put them on a wire rack to cool and harden.

Summon your crew to the galley – biscuits taste best when they are still slightly warm! YUM!
