From Mrs Ronnfeldt’s Desk
What a great Book Fair and fun filled day we had today! To everyone who joined us, to the mums and dads who created some wonderful costumes and food and to those who read to the children – thank you – you make our school such a great place to be.
The presentation from Hunter New England Health has been postponed to a date to be advised – hope this has not caused any inconvenience.
We are currently drafting a survey for parents and community on the life of the school, to be completed online or in hard copy. The survey is anonymous and provides opportunity for feedback on a variety of school processes, as well as allowing you to express thoughts and ideas you may have on and for the school. Your input is welcomed and crucial to well informed decision making for this school.
Thank you to our P&C who have donated so generously towards the excursion, reducing the cost to parents. Our P&C do a great job in supporting the school and are much appreciated by staff, parents and students. The fundraising efforts are a testament to the generous community in which we live.
Hope your week is amazing.

Warm regards
Tracy Ronnfeldt
