We had a wonderful day at Warialda Public School on Friday. The weather was superb, the company was inviting and the sports were enjoyable. Mr Van Velthuizen had organised representatives from a variety of sports such as rugby union, rugby league, cricket, netball and AFL to come and run some sessions which were most enjoyable. Well done children on displaying exemplary behaviour and thank you again to Mr Van Velthuizen for inviting us.

This weekend the P&C have yet another fundraiser. As a parent body you have worked tirelessly over the past few months and I appreciate your support immensely. Below in the newsletter is a call for a few more volunteers for Saturday and I know Caroline would welcome your any assistance.

Unfortunately I will not be at school on Wednesday for the CWA day. Could I acknowledge the hard work Mrs Reardon has put in to making the day happen. I know you are aware of it, but we have wonderful staff here at Croppa Creek and I am very fortunate to work with such dedicated people. Thank you Mrs Reardon.

As we near the end of Term 3, the weather is starting to get a little warmer. Could I remind all children about the importance of bringing their hat to school (and wearing it).

Finally, the Woolworths Earn and Learn promotion has come to an end. If you have any stickers or booklets, please return them to school as soon as possible.

Hi Team Croppa Creek!!!

We have our last big fundraising event this weekend catering for the North Star Bushman’s Carnival. We will be providing a roast dinner for approx. 130 people on Saturday night and are in need of a few more helpers. At this stage we only have the Bellman Family on board and need some help with the following:

One person to peel and cut potatoes and pumpkin on Saturday morning at the Croppa Creek Store.
Two people to help on the night from 5pm at North Star. This will involve taking sales for the meal, serving and clean up (approx 5 hours)

Contact Carolyn on 67545222 to volunteer.
Thanks in advance.

Moree Plains Bike Day Out

Youth in Moree Plains have the opportunity to pedal the bicycle safety message with a Come and Try day at the Moree BMX Club as part of Moree Plains Shire Council’s ‘Bike Day Out’ celebrating 2015 Bike Week.

Council’s Road Safety Officer Renee McMillan explained Bike Week is about increasing the use of local cycling infrastructure and providing a safe and secure environment for cyclists to improve their bike skills.

The ‘Bike Day Out’ event is being organised to promote bicycle safety and encourage the use of the Moree Bike Path and BMX Track.

“There is quite a line-up of activities for all age groups – enjoy a leisurely ride along the Mehi River or a lap around the Moree BMX track.

“Bike Day Out is an event for every age and there are loads of great prizes to be won,” said Mrs McMillan.

The day will commence with registrations at Moree’s Lloyd Oval at the southern end of Endeavour Lane, followed by lots of fun and games, along with some rides and races around Moree BMX track.

A free sausage sizzle will be provided for all participants, and opportunities to win prizes including awards for the best dressed rider and best decorated bike.

The event is being held on Saturday, 12 September 2015 between 10am - 1pm so bring a chair, your bike, helmet and camera.
