We are almost at the halfway mark of Term 4, where has the time gone? It is also about to get very busy here at school, with the MYW presentation night this Wednesday where many of our students have achieved success and will receive awards (results can be found further in the newsletter). Rehearsals for our presentation night are well underway and we will begin heading over to the hall to practice projecting our voices and working the stage! Swimming lessons start on 7th of December and notes will be coming home in the very near future. Then we enter the last week of the year where children finish up on the 11th of December.

I have already been informed by one family that they will be away on holidays during the first week of school in 2016. If you know that you your child will be absent during the first week of next year could you please notify me as soon as possible.

We have been asked as a school to perform some songs at the Crooble Christmas Carols on Sunday 13th of December. If you could lock the date in your calander that would be greatly appreciated, it would be nice to have as many children singing as possible.

I have written about it several times throughout the year, but I would again like to recognise the wonderful effort of Oliver Bellman in regard to Mathletics. He received yet another Silver certificate last week and his consistency has been marvelled by both students and staff. Congratulations Oliver!

Weekly Assembly

Assemblies are held each Thursday morning at 9-00am.

All Welcome.

Congratulations

K-2 award goes to Georgia Smith for her hard work with times tables and Antarctic animal.

3-6 award goes to Lacey Cooper for her wonderful multiplication skills.
