Presentation night was a fantastic success and the children certainly showed their wonderful drama skills. Thank you to all who came and supported the night. These events do not happen on their own and once again the P&C worked tirelessly to prepare the hall and then ensured everyone was fed at the end of the evening.

Thanks must also go to two very special staff members. Mrs Forsyth has put the children’s performances together for many years and by all accounts this year was as good as any. She puts a lot of time and effort into preparing the children and it has not gone unnoticed. Thank you Mrs Forsyth.

Working a lot more behind the scenes is Mrs Fordham. She prepared the slideshow for us and helped Mrs Forsyth with the very effective sound effects and props. These tasks are arduous and can be very time consuming. Thank you Mrs Fordham.

We are at swim scheme all of this week. Please ensure your children are appropriately prepared and have an extra snack. We will be taking sun screen with us and reapplying it throughout the day.

We have an excursion planned to Inverell and Warialda next Tuesday. Notes will be sent home later in the week.

Finally, the children have been practicing some Christmas carols to sing at Crooble on Sunday night. It would be nice to have as many children join us as possible.

Regards

Matt Jackman
Principal
