Welcome back to what I am sure will be another busy and productive Term. The children have returned with a smile on their face and are keen to learn.

I would like to start with the ANZAC Day Service at Crooble on Saturday. The students represented our school with pride and I am still receiving compliments from people within the community on how well they performed. I would also like to thank all of the parents who ensured their children arrived on time, it certainly was an early start.

I would also like to acknowledge the amazing effort of Mrs Forsyth. Her dedication and commitment to the children and ensuring they were prepared was beyond expectations and we are so very lucky to have such a person at our school.

We were also lucky enough to have one of my old Navy friends, Russ French visit us last week and talk to the children about the Defence Force and display some amazing models of ships and tanks that he makes. The children certainly enjoyed it and had many questions for him.

The Macintyre Cross Country is due to be held on the 8th of May. To prepare us for this we will hold our own school cross country this Friday at approximately 9:30 am around the golf course instead of travelling to North Star for sport.

Finally, I would like to welcome Wally and his family to our school. Wally has come to us from Tulloona P.S. and has settled in very quickly. Welcome Wally

Anzac Day
Saturday 25\textsuperscript{th} April 2015
100 years

Congratulations to all students and parents for their efforts towards keeping the Anzac spirit alive. 100\% attendance by the students at the service was fantastic. We received many wonderful comments all Saturday about their diction (how clearly they spoke), their confidence on stage during the play, the projection of their voices and their ability to wait patiently before the service started. What amazing children you have! We are so proud!

We are going to perform again at Fairview in a couple of weeks. Please keep their costumes ready.
