I would like to thank everyone for showing an interest in attending the information session on Tuesday 23rd of June. The most popular time to hold the meeting was 5pm and it would be great to have as many parents come along as possible. We will meet in the library and the P&C meeting will occur straight afterwards.

The aim of the meeting is to share with the school community the 2015 – 2017 School Plan, introduce and explain the school reports which will be sent home next week and share with parents some of the programs being used within the school. Such meetings will help us as a community share our goals in what we want for our school and most importantly, the children.

We have a busy schedule ahead for the last two weeks of the term. Following on from today’s Athletics Carnival (more info in next weeks newsletter), there is the Macintyre Athletics Carnival on Friday at Yetman P.S. and next week is the NAIDOC Day excursion at Toomelah P.S. and Biggest Morning Tea over at the club.

As we approach the halfway mark of the year, we now need to start planning for 2016. If you know of anyone in the area who is planning on sending their children to school next year could you please advise them to come in and collect an enrolment form.

Matt Jackman
Principal
Mathletics & Spellodrome
Certificate winners for this week

P & C News

Canteen
Dear parents, please note that the Canteen will be fortnightly this term unless more parents come forward to help.
Below are the dates canteen will be operating.
Angela Mitchell 18th June
Kelly has volunteered to help out with the canteen on the days that we have no volunteers.
Please note that this is only a short term fix and we still need more volunteers.

Next P&C Meeting
Tuesday 23rd of June
after information session with Mr Jackman

If everyone could attend this meeting it would be great.
We have a few fund raising events coming up and need to know who is available to help out.
We are nearing the end of our book ‘My Big Mouth’ which we have been reading as part of our Literacy Circles lessons. During Literacy Circles we discuss the chapter we read in depth. The discussion is guided by the students’ response to what they have read. They may talk about events and characters in the book, the author’s craft, or personal experiences related to the story. Literature Circles provide a way for students to engage in critical thinking and reflection as they read, discuss, and respond to books. Collaboration is at the heart of this approach. Students reshape and add onto their understanding as they construct meaning with other readers. Finally, literature circles guide students to deeper understanding of what they read through structured discussion and extended written and artistic response.

Left: Billy completed a Wanted poster to present and discuss with the group about the character ‘Stew’
Right: Eathan was the Illustrator and used the adjectives within the text to justify his vision of what the lizard would look like.

Lacey was the Scene Setter and used the descriptive language within the book to assist her in sharing what she thought the scene would look like.
Australia’s Biggest Morning Tea
Thursday 25th June 2015

Croppa Creek Bowling Club
10 am – 1 pm

All Welcome
All funds donated to Cancer Council

Best Cake or Damper
Sponsored by McGregor

Croppa Creek Time Capsule

Imagine the year 2049. It will be 100 years of education at the Croppa Creek Public School on Anzac Day. The Time Capsule is about to be dug up. You wonder what items are in the capsule……………

DON’T MISS OUT ON CREATING HISTORY!

The capsule is not just a school capsule but a Community Capsule. What would you like your children, grandchildren to see of present time? Gather your collection together in a plastic folder (these can be provided if you don’t have one) and deliver to the school by 17th July.
