Welcome back to Term 3, it is very hard to believe we are well and truly into the second half of the school year.

Notes went home last week about parent/teacher interviews which are to be held this Wednesday. I encourage everyone to take the time to speak to your child’s teacher about their progress. If you are unable to make it on Wednesday, please do not hesitate to contact the teachers to make an alternative time.

This Friday the children who are eligible are off to the Heferen Shield. The P&C are also looking after the canteen during the carnival and I am sure they would like as many volunteers as possible. Children who are not attending the Heferen Shield are required to attend school as normal.

Our school is participating in the Woolworths Earn and Learn promotion this term. Each child will receive a sticker sheet today and any support with this promotion is greatly appreciated.

We are also participating in the Jump Rope for Heart initiative and will be displaying our fantastic skipping skills on 29th of July. Children will also be receiving sponsorship forms for this wonderful initiative.

Finally, a quick reminder that the P&C meeting is on tonight (Monday) in the library and I encourage all families to become involved. We have several fund raising commitments coming up in the near future and many hands make light work.

Matt Jackman
Principal
MATHLETICS AND SPELODROME

Congratulations to all students who have been logging on to Mathletics and Spellodrome. We received some very special awards for some students who have been using the program a lot and these will be handed out at our assembly on Thursday.

Warialda High School open afternoon is Monday 27th of July at WHS from 4pm. Our teaching spaces will be open for families/future students to visit. At 5pm there is a free BBQ followed by a concert in the school hall from 5.45pm. If families are able to attend, we'd like parents to contact the front office on 67 291 000 for catering and seating purposes.

First transition day at WHS is Wednesday 29th of July. Students are welcome to arrive from 8.30 am by their chosen means.
